Brown Bag Meeting for Proposed Eastside UGA Annexation

When: January 5, 2015 at Noon

Where: Tumwater Fire Station
311 Israel Road

The City of Tumwater recently held two Open Houses to provide information regarding the proposed Tumwater Eastside UGA Annexation (see map on reverse side). There were some business owners who expressed an interest in having a “business-oriented” discussion of the annexation and how it would affect them.

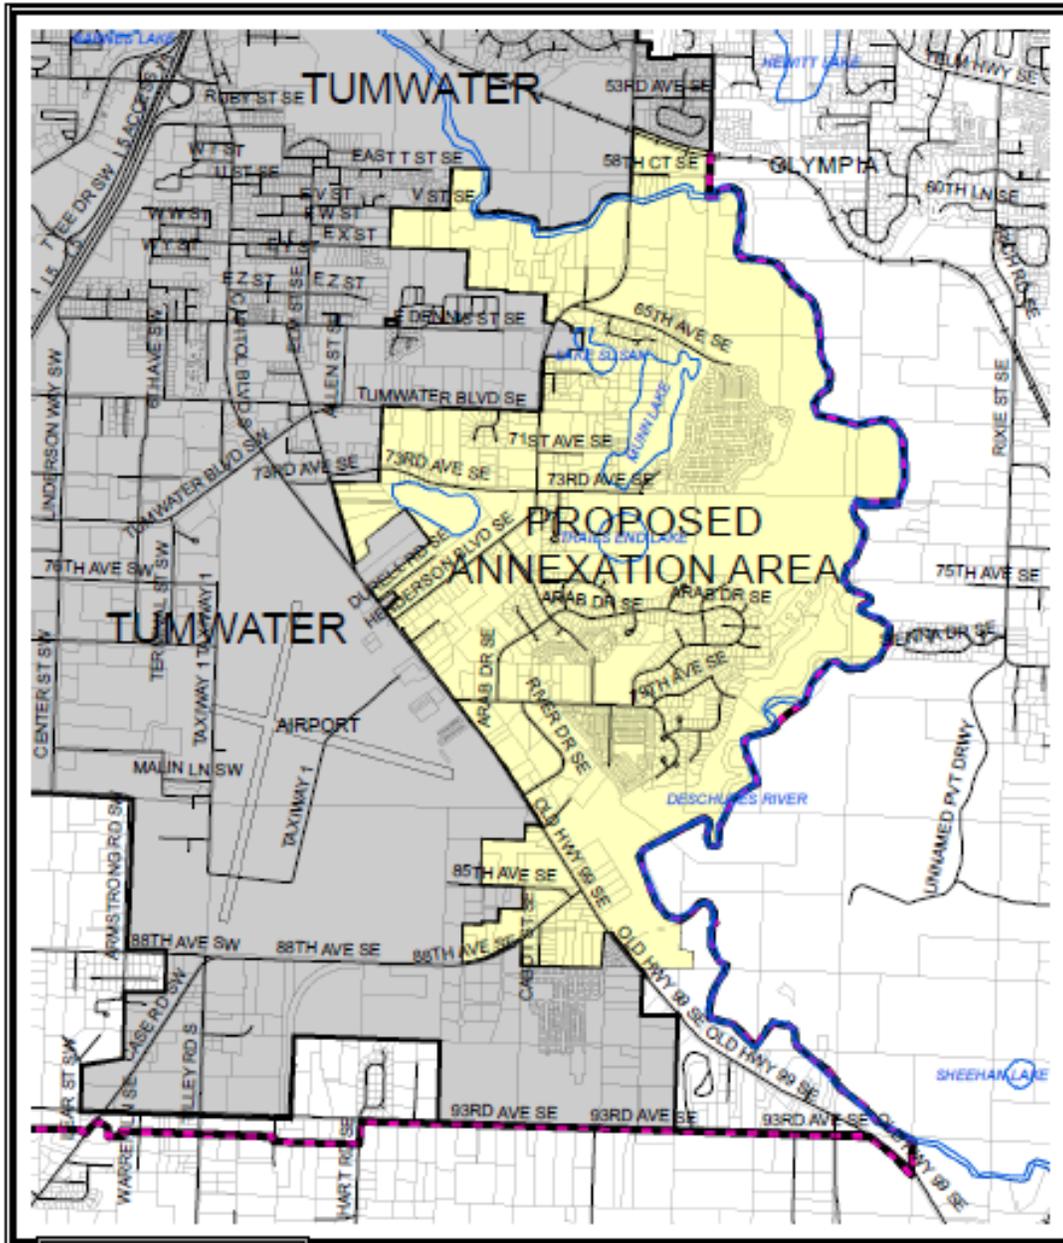

We hope you will have the time to attend this informal brown bag lunch to meet with our City representatives from a variety of departments. We will have our City Administrator, Chief of Police, Fire Chief, Finance Director, Director of Public Works, and Director of Community Development on hand to discuss this proposal and answer questions.

If you have any questions, or perhaps have a special subject area you would like us to be prepared to discuss, please don't hesitate to contact me before the meeting.

Sincerely,

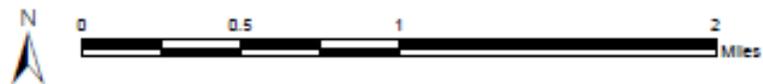

Gary Cooper, Senior Planner
