SUMMER 2016

Parks & Recreation Brochure

Tumwater

A Place to Live, Work, and Play

Everyone looks forward to the arrival of summer, warmer weather and a chance to get outside and enjoy the great community that we live in. Summer is traditionally a time for family vacations and reunions, barbecues, playing outside and working in the yard. It's a busy couple of months that we look forward to all year long.

Summer is a busy time at Tumwater Parks and Recreation as well. City parks are full of activity with sports and games, children at playgrounds, shelter rentals, trail users and people enjoying access to the Deschutes River. Your City also offers many recreation programs over summer, including day camps for youth and teens, classes, lessons, senior activities and much more.

The City opened its newest neighborhood park, Deschutes Valley Park, in May. Located at 600 T Street SE, this new park was a joint project between the City and the LOTT Clean Water Alliance. The new facility has playgrounds, a restroom, grass area and a fantastic view over the Tumwater Valley Golf Course. The park is also the site of a new one million gallon reclaimed water storage tank, which is built into the hillside and provides a great viewing platform for park visitors. The reclaimed water is now being used to irrigate the City's golf course and the turf at the new park. Working with LOTT, the City has created a unique and beautiful new park at the end of T Street.

Be sure to enjoy all that Tumwater has to offer this summer and don't forget – Tumwater hosts the biggest and best 4th of July celebration in the South Sound! For more information, contact Tumwater Parks and Recreation or visit the City's website at www.ci.tumwater.wa.us. The 21 and over crowd is invited to celebrate Tumwater's brewing history with us at the 4th Annual Tumwater Artesian Brewfest held on Saturday, August 20 at the Tumwater Valley Golf Course. See more details on page 15 of this brochure.
